## YORK TOWNSHIP EMERGENCY MANAGEMENT AGENCY

### CERT TRAINING

CERT training, as defined by the Federal Emergency Management Agency, promotes a partnering effort between emergency services and the people that they serve. The goal is for qualified CERT instructors to train members of neighborhoods, community organizations, or workplaces in basic response skills. CERT members are then integrated into the emergency response capability for their areas. In the event of a natural or man-made disaster, these individuals would provide assistance to their community if emergency services were delayed in response. Topics covered in CERT Training: Disaster Preparedness, Fire Suppression, Disaster Medical Operations, Light Search and Rescue, Disaster Psychology, Animals in Disaster and Terrorism Awareness.

CERT class participants must be 15 years old. Minimum class size is 12. All CERT graduates receive a certificate and a York County CERT backpack full of emergency essentials.

The team member course is 20-22 hours. CERT participants get hands-on experience through simulated disasters.

If you may be interested in CERT Training, contact Kathleen M. Dellinger, York Township Emergency Management Coordinator, at 717-741-3861 x189 or [k.dellinger@yorktownship.com](mailto:k.dellinger@yorktownship.com). The goal is to hold CERT classes in the spring, summer or fall of 2019 at the York Township Municipal Building.

### TURN AROUND DON'T DROWN®

Each year, more deaths occur due to flooding than from any other thunderstorm related hazard. The Centers for Disease Control and Prevention report that over half of all flood-related drownings occur when a vehicle is driven into hazardous flood water. The next highest percentage of flood-related deaths is due to walking into or near flood waters. People underestimate the force and power of water. Many of the deaths occur in cars swept downstream. Many of these drownings are preventable. Never drive around the barriers blocking a flooded road. The road may have collapsed under that water. A mere 6 inches of fast-moving flood water can knock over an adult. It takes just 12 inches of rushing water to carry away most cars and just 2 feet of rushing water can carry away SUVs and trucks. It is NEVER safe to drive or walk into flood waters.

## ZONING

### BACKYARD ENTERTAINING

Entertaining in our backyards is continuing to be a popular trend, and gas and charcoal grills, outdoor fryers, and firebowls and chimeneas are very popular accessories. While most open burning is prohibited in the Township (contact the Township if you have any questions regarding open burning), these accessories may be used if the proper precautions and manufacturer instructions are strictly followed. Please feel free to contact the Township if you have any questions regarding the use of these types of backyard accessories.

### DOOR TO DOOR SALES (TRANSIENT BUSINESSES)

Any person desiring to engage in a door to door (transient) retail business in York Township must first apply to the Township for a license. If you receive a knock at your door and the person standing on your porch is attempting to solicit your business to purchase goods or services, please first ask to see their Permit for Soliciting & Peddling. The permit is a 2" x 3.5" yellow card with "Permit For Soliciting & Peddling" at the top along with a specific imprinted permit number and expiration date. If they do not have a valid permit card to show you, they may not solicit in the Township and are in violation of the Township ordinances. The Township shares the applicant's information with the police department so that the police are aware of who is knocking on your door, therefore, please call 911 immediately to report a salesperson who does not have a proper permit or if a salesperson left you feeling pressured and uneasy.

## PUBLIC WORKS DEPARTMENT

### PUBLIC WORKS EMERGENCIES

**If you have a question, complaint, concern or observe what would appear to be an emergency with sanitary sewers, roadways, signs, traffic signals, stormwater facilities or the like, please contact the Public Works Department at 717-741-3861 x170. Office hours are 7:00 am to 3:30 pm Monday through Friday. After these hours or on holidays, please contact 911 only in the event of an emergency.**

#### 2019 STREET PAVING / RE-SURFACING

As of March 4, 2019, the following streets were selected to be re-paved this summer.

1. Chestnut Hill from Oak Road to Springwood Road
2. Southwynd Court from Wyndsong to the end
3. Rose Mill Court from Rosewood Lane to end
4. Jolo Way from South George Street to end
5. Lynwood Drive from Leader Heights Road to Woodside Drive
6. Woodside Drive from Leader Heights Road to Cherry Street
7. Ranier Court from Blue Ridge Drive to end
8. School Street from Oak Street to South Queen Street
9. Circle Court from School Street to end
10. Spartan Road from Ironstone Hill Road to Hess Farm Road
11. Country Lane from Heather Drive to Chestnut Run Road
12. Evergreen Drive from Chestnut Run to Chestnut Run
13. Primrose Lane from Heather Drive to second intersection with Chestnut Run
14. Chestnut Run from Primrose Lane to Primrose Lane

Due to the timing of this newsletter edition, the contracts were not in place and it is possible changes to the list may have occurred. Please check the York Township website ([www.yorktownship.com](http://www.yorktownship.com)) after April 30, 2019 for the final list of streets to be re-paved in 2019.

#### OBSTRUCTIONS THAT OVERHANG THE ROAD

Please be aware that as property owners in York Township, you are responsible to keep your property clear from any obstructions that overhang the edge of the road. Examples include but are not limited to: tree limbs, shrubbery, hedges, grassy areas, mailboxes, fencing, etc. Many activities occur close to the curb with large vehicles that can be impacted when these obstructions exist. Examples include snow and ice removal, street sweeping, street paving, trash collection, school bus travel, etc. Overgrown tree limbs and vegetation also impact the sight distance for the motoring public which can be a safety concern. Refer to Ordinance # 2014-5 found on the website for specific requirements.

#### EMERGENCIES

**Check our website at [www.yorktownship.com](http://www.yorktownship.com) or call the Public Works Department at 717-741-3861 x170 for questions or concerns. Please direct after hour emergencies to 911.**

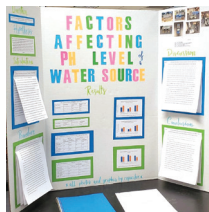

## STORMWATER NEWS

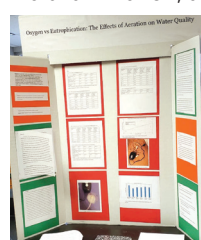

### 2019 DALLASTOWN AREA HIGH SCHOOL SCIENCE & ENGINEERING FAIR WINNERS

York Township congratulates the 2019 York Township Science & Engineering Fair scholarship winners. York Township provides scholarships for the best junior and senior "Water Quality or Stormwater Management Project" as part of our stormwater management program.

The senior project winner selected was "Factors Affecting pH Level of a Water Source," by **Yael Eiben**.

The purpose of Yael's experiment was to research and determine experimentally how factors such as the presence of nitrate and phosphate levels affect the pH of freshwater sources including samples from Raab's Fruit Farm runoff, a York Township stream, and Lake Williams.

The junior project winner selected was "Oxygen vs Eutrophication: The Effects of Aeration on Water Quality," by **Aniruth Ramanathan**.

The purpose of Aniruth's experiment was to determine whether or not the purification properties of the air diffusion aeration method would have the same effect on nitrogen and phosphorus compounds that it has on other unwanted compounds such as carbon dioxide (CO<sub>2</sub>), and prevent decreases

in water quality and the formation of harmful algal blooms that result from excessive amounts of nitrogen and phosphorus by increasing the percentage of oxygen in a eutrophic water source.

York Township would also like to congratulate all of the 2019 Dallas-town Area High School Science & Engineering Fair winners: Senior High Grand Champion Ibnat Meah, Senior High Reserve Grand Champion Astha Ray, Junior High Grand Champion Robert Nicholson, and Junior High Reserve Grand Champion Catharine Lasher.

### DEP REMINDS POOL OWNERS TO HANDLE WASTE WATER RESPONSIBLY

In an effort to help protect stream health and aquatic life, the Pennsylvania Department of Environmental Protection (DEP) would like to remind private and public pool owners, as well as pool management companies, how to properly close their swimming pools for the season.

Discharged pool water and waters containing chlorine or other chemicals can be detrimental to aquatic life if not handled responsibly. It is extremely important that these waters are handled correctly. Pool waters must not be discharged to any storm sewer or land in which a storm sewer is accessible. Runoff can cause fish kills and unsafe aquatic conditions.

"Pool owners and professional pool cleaners need to dispose of old water appropriately and conscientiously," said Acting DEP Secretary Patrick McDonnell. "Most of all, we need to make sure the wastewater is going into the sanitary sewer, where it may be allowed – and not into our storm sewers where it can harm aquatic life."

When draining a swimming pool this year, make sure to protect Pennsylvania by following these tips:

- Pool water may be disposed of through the sanitary sewer system.
- Never dispose of pool water through a storm sewer, which will discharge to a stream.
- If lowering the water level of the pool, let it drain to a lawn to prevent it from running off into a storm sewer.
- If a sanitary sewer system is not available, water may be used for irrigation if it does not run off the property or into a storm sewer.

The discharge of swimming pool water to any waters of the Commonwealth without a permit is a violation of the Clean Streams Law. Property owners and pool companies that violate this law may be prosecuted and penalized for damages.

Additional information regarding swimming pool discharges as well as our stormwater management program can be found at [www.yorktownship.com/our-township/stormwater/](http://www.yorktownship.com/our-township/stormwater/). Any questions or comments can be submitted by calling 717-741-3861 or by emailing [stormwater@yorktownship.com](mailto:stormwater@yorktownship.com).

### FIFI AND FIDO SAY "PICK IT UP"!

*Adapted from a York County Conservation District article written by Gary R. Peacock, Watershed Specialist*

For as long as Fifi and Fido have been our best friends, pet waste has posed a menace to our noses and feet. Now science has revealed a more unsavory truth: It's an environmental pollutant. In the mid-1990s, scientists perfected methods for tracking the origin of nasty bacteria in streams and seawater. From Clearwater, Fla., to Arlington, Va., to York, Pa., the trail

has led straight to Fifi and Fido — and to owners who don't pick up after their pets. Municipalities, including York Township, can issue citations to those who ignore pet clean-up ordinances.

Although many dog lovers are in denial about their pooches' leavings, researchers have named the idea that areas used by dogs pump more bacteria into waterways — the "Fido hypothesis." Dogs generate disease-causing bacteria that can make people sick. These include *E. coli*, a bacterium that can cause disease, and fecal coliform bacteria, which spread through feces. Dogs also carry salmonella and giardia.

Studies done in the last few years put dogs third or fourth on the list of contributors to bacteria in contaminated waters. However, several studies have found that roughly 40% of Americans don't pick up after their dogs. Picking up after your dogs is one of the easiest things you can do to help clean up York Township streams and the Chesapeake Bay.

#### Reasons for picking up:

- It's the law
- Environmentally friendly
- Hygiene/health reasons
- Neighborhood courtesy
- It should be done

**Keep the yard clean –  
Everyone benefits if you do your  
part and "scoop the poop"**

Please note that York Township also has Park Rules in reference to canine solid waste AND leashing of canines at Township Parks. Park Rule #12:  
**DOGS MUST BE KEPT ON A LEASH OR OTHERWISE TIED. ALL CANINE SOLID WASTE MUST BE REMOVED FROM THE PARKS.**

### COMMERCIAL RECYCLING IS REQUIRED BY LAW

Pennsylvania State Act 101 of 1988 and York Township Ordinance 2006-12 require nonresidential establishments to recycle. Nonresidential establishments include all commercial, municipal, institutional, and community groups that do not fit into a residential category. To comply with the State and Local laws, you are required to recycle the following items:

- Aluminum
- High-Grade Office Paper
- Corrugated Paper (cardboard)
- Glass (clear, brown and green)
- Steel and bimetallic cans
- Leaf waste

### NATIONWIDE RECYCLING CRISIS

Unfortunately, due to the "hopeful recycling" many citizens have done in the past, our recyclables have been contaminated with items that DO NOT belong in the recycling stream (garden hoses, scrap metal, plastic toys, disposable diapers). The excessive contamination has caused China, the world's largest consumer of recycled materials, to reject most recyclables from the United States. New recycling guidelines have been set forth to encourage residents "back to the basics" in order to clean up the recycling stream. The two major changes are:

- 1) Plastics** - #1, #2, & #5 only, bottles & jugs, narrower neck than the sides of the bottle
- 2) Newspaper/Cardboard** – clean, dry and flattened newspaper and cardboard only, NO food contact

Cans, glass and cartons are still acceptable items for recycling. All items should be clean, caps removed.

Please help our recycling center achieve a clean and pure recycling stream that can be marketed and eventually used to produce new items.

## UNACCEPTABLE ITEMS LIST

Please do not place any of these items in your recycling bin!  
Penn Waste does not accept the following items for recycling.

#### NO PACKAGING

Including bubble wrap, styrofoam peanuts, plastic packing pillows, and foam packaging inserts

#### NO MEDICAL WASTE

Medical waste is a health hazard and should be disposed of properly in your trash.

#### NO PLASTIC BAGS

Return these to retail or grocery stores.

#### NO CLOTHING OR LINENS

Donate usable items to charity or reuse worn items as rags.

#### NO SMALL APPLIANCES OR EXTENSION CORDS

#### NO FOIL PRODUCTS

Including aluminum foil and foil serving trays

#### NO FOOD OR LIQUID

Please empty and rinse all containers.

#### NO WOOD OR BUILDING MATERIALS

#### NO ELECTRONICS

Check [pennwaste.com](http://pennwaste.com) for info on electronics recycling.

Penn Waste encourages our customers to find innovative ways to reuse the items listed above.

Visit [pennwaste.com](http://pennwaste.com) for more information about recycling.

## RECYCLING & TRASH INFO

### RESIDENTIAL TRASH COLLECTION GUIDELINES

Residential trash and recycling collection begins at 6:00 am on your collection day. All refuse and recycling containers and any larger (bulk) item shall be placed curbside no earlier than 5:00 pm on the evening preceding the day scheduled for collection and shall be removed no later than 12:00 midnight in the evening when collection occurs.

#### Important guidelines to keep in mind for residential trash collection services are as follows:

On April 10, 2018 the York Township Board of Commissioners awarded the residential trash collection contract to Penn Waste for the next four years. The quarterly fees for basic service of (3) 32-gallon bags or cans of trash, unlimited recycling with cart, one large item per week, 12 times per year curbside yard waste collection and a Township administration fee of \$1.50 are as follows:

<b>July 1, 2018 – June 30, 2019</b>	<b>= \$48.00 per quarter</b>
<b>July 1, 2019 – June 30, 2020</b>	<b>= \$49.38 per quarter</b>
<b>July 1, 2020 – June 30, 2021</b>	<b>= \$50.82 per quarter</b>
<b>July 1, 2021 – June 30, 2022</b>	<b>= \$52.35 per quarter</b>

The optional 96-gallon mobile trash cart rental fee will be:

<b>July 1, 2018 – June 30, 2019</b>	<b>= \$11.50 per quarter</b>
<b>July 1, 2019 – June 30, 2020</b>	<b>= \$11.80 per quarter</b>
<b>July 1, 2020 – June 30, 2021</b>	<b>= \$12.20 per quarter</b>
<b>July 1, 2021 – June 30, 2022</b>	<b>= \$12.55 per quarter</b>

The price for extra service bags will remain at \$4.00 each from July 1, 2018 through June 30, 2020 and will increase to \$4.50 for July 1, 2020 through June 30, 2022.

**Large (Bulk) Items:** If your waste collection falls under the Township residential contract (directly billed by Penn Waste), you are entitled to place one large (bulk) item out per week with your regular trash and recycling. You only need to contact Penn Waste in advance if the item contains refrigerant (i.e. refrigerator, dehumidifier, air conditioner). Bulk items are those that cannot be disposed in the regular trash container and can be lifted by two people (i.e. sofa, mattress, carpet, etc.). Residents who pay for waste collection as part of their rent or condo/homeowners fee must contact their landlord or association for the rules regarding bulk items per their commercial contract.

**Round Recycling Bins:** Are the property of York Township, not the contracted hauler. The bins should remain with the property if sold. The bins are partially funded through a State recycling grant. If you never received a 32-gallon bin and you are billed directly by Penn Waste, you may pick one up at the Township offices. If your bin is cracked or broken, you must bring it to the Township office to obtain another bin. Additional bins may be purchased for a fee of \$7.50. Recycling bin stickers are available free-of-charge for those who wish to provide their own smaller bin for recycling.

If you are not directly billed by Penn Waste and your refuse service is provided through your landlord, condo association, or homeowner's association, you must contact the landlord or association to get a recycling bin through your refuse hauler.

Recyclables must be placed in a separate bin from trash and are picked up on your regular trash day. Replacement bins are available at the Township Administrative Office or the Public Works Department.

### RESIDENTIAL BRUSH DROP OFF

Residential Brush is defined as tree limbs, shrubbery leaves and the like (no grass) no larger than 8 inches in diameter by 6 feet in length. York Township accepts brush from Township residents as part of our recycling efforts.

The drop off site is located at the Township Municipal Building beyond the open gate to the designated pile, between the two signs, on the left. Please enter from Oak Road. Do not enter from Coventry Road, for this is a restricted area for Township employees only.

#### Remember to make sure that all brush is secured to your vehicle when hauling loads to the drop off site.

The site will be open for self-serve (unassisted) drop-off from dawn to dusk (during daylight hours only). Do not drive past the gate at any other time other than the dates listed below:

- **FRIDAY, MAY 3 – MONDAY, MAY 20**
- **FRIDAY, JUNE 7 – MONDAY, JUNE 24**
- **WEDNESDAY, JULY 3 – MONDAY, JULY 22**
- **FRIDAY, AUGUST 2 – MONDAY, AUGUST 19**
- **FRIDAY, SEPTEMBER 6 – MONDAY, SEPTEMBER 23**
- **FRIDAY, OCTOBER 4 – MONDAY, OCTOBER 21**
- **FRIDAY, NOVEMBER 1 – MONDAY, NOVEMBER 18**
- **FRIDAY, DECEMBER 6 – MONDAY, DECEMBER 9**

We ask that you participate in this program responsibly by not dumping unlawful items at the site. Examples are garbage, metals, concrete, lumber, stumps, stones, grass clippings, etc. We do accept commercial landscaping residue such as tree roots, large tree removal projects and the like.

All other material and items you see beyond the gate are the property of the Township and not for use of the general public.

Do not touch or take anything while in this restricted area. If you see a violation, please report it to the Township or York Area Regional Police Department. **Please be aware that the site is under constant video surveillance.**

All brush received will be chipped into mulch and will be made available to Township residents free of charge. The mulch pile is located in front of the gate (left side). Mulch may not be available at all times. The mulch availability and the times and dates of brush recycling are subject to change at Township discretion.

## RECYCLING & TRASH INFO

### CURBSIDE YARD WASTE COLLECTION

Please follow these guidelines when placing yard waste for collection: Place curbside by **6:00 am** on the designated Saturdays. The hauler starts promptly at 6:00 am and quickly moves through the township as they do not need to stop at every residence.

Yard waste includes material such as tree trimmings, shrubbery and other organic landscape vegetation no larger than 8" in diameter. Yard waste DOES NOT include: grass clippings, weeds, fruit and vegetable scraps, tree stumps, dirt and stones, or any trash or recyclable materials.

**Prepare for collection:** Place yard waste in biodegradable brown craft bags or bundle with biodegradable twine in bundles no longer than 4 feet in length, not weighing more than 50 pounds. You may also use the round blue 32 gallon recycle bins or similar 32 gallon can without a lid. The yard waste must be visible to the hauler.

Yard waste in plastic bags or mobile carts will not be collected on the designated Saturday yard waste collection days.

**CURBSIDE DATES:** • June 22 • July 27 • August 24  
• September 28 • October 26

### YARD/WOODY WASTE

Township residents are encouraged to recycle their yard/woody waste by either the curbside collection or at the Township drop off facility. Material such as tree and shrubbery trimmings and other organic landscape vegetation no larger than 8" in diameter is accepted. In no instance should anything other than the aforementioned items be placed in the brown Kraft bags for collection or drop off. **NO grass, weeds, dirt, stones, fruit & vegetable scraps, trash or recyclables are acceptable.** The Township has been experiencing some of these items "hidden" in the bottom of the Kraft bags which causes damage to the equipment used to process the yard/woody waste into mulch.

### WASTE OIL DISPOSAL

Waste oil (motor, cooking or transmission) may be dropped off at the Public Works Service Building Monday – Friday from 7:30 am – 3:00 pm. You may enter the lower restricted area for this purpose. Drop the product off at the end of the Service Building (smaller of the two buildings) at the designated area identified by a sign. Do not drop off products after hours. We do not accept gasoline or engine coolant (anti-freeze). Please be aware that the site is under constant video surveillance.

## THE POLICE REPORT

UPDATES FROM THE YORK AREA REGIONAL POLICE DEPARTMENT  
An Accredited Law Enforcement Agency • [www.yapd.org](http://www.yapd.org)

The Police Department recently purchased a light-duty rescue truck. This vehicle will be used for serious traffic crash investigations, commercial motor vehicle inspections, DUI Checkpoints and other incidents where equipment is needed that is contained on the truck.

The Police Department will be hosting these events in 2019. Please look for information on our website and Facebook page for dates and times. Preference for attendance will be given to the citizens we serve.

**Citizen Response to Active Shooter Events (CRASE)** – Three (3) officers completed a train-the-trainer course to instruct this program to the public. This will be a new service provided by the Department in 2019. The course(s) will be advertised to the public for participation and will prioritize the training to citizens within our jurisdiction.

Regional Police Department

**Stop the Bleed** – Stop the Bleed is a national awareness campaign and call to action. This program was launched in October 2015, by the White House, to encourage bystanders to become trained, equipped and empowered to assist victims in a bleeding emergency before professional help arrives. The Department has an instructor for this training and we look forward to providing this training to the public in 2019.

The Department has a new email to report traffic-related complaints; [trafficconcerns@yapd.org](mailto:trafficconcerns@yapd.org). This email can be used to report anything traffic-related to the Department. Some examples are: speeding problems, roadway safety concerns, school bus passes, illegal passing, stop sign, red light violations and other aggressive driving behaviors. Please try to be specific with the location, time, and the offending vehicle information: make, model, license plate, color and any information you may be able to obtain on the driver.

## 2019 OPEN HOUSE

**Saturday, September 28**

**1:00 pm – 4:00 pm**

Stop in and visit our firefighters. We will have free limited engine rides, light refreshments, and fire safety materials available to take home.

Goodwill Fire Company has sent our tower ladder to Seagrave Manufacturing in Wisconsin for a refurbishment. The 2003 fire apparatus is receiving numerous upgrades including a new paint scheme. This will extend the life of the truck for another 8 years. Estimated completion is late summer.

Goodwill Fire Company #1 York Township is always accepting new members. If you're interested in a positive change in your life and are looking for a rewarding experience, joining our local volunteer fire

company is a great match. You will be inspired to help your York Township neighbors and neighboring communities in their time of need. We offer free training, uniforms, and personal protective equipment. Feel free to visit our firehouse anytime for questions, a tour, or to pick up an application. We are located at 2318 South Queen Street beside Handel's Ice Cream.

## COMMUNITY ANNOUNCEMENTS

### **GOLDEN CONNECTIONS COMMUNITY CENTER** **20-C GOTHAM PLACE, RED LION, PA 17356 • 717-244-7229**

#### **LINE DANCING CLASSES**

The Golden Connections Community Center (GCCC) will continue Line Dancing Classes as we have had great success! Classes are every Tuesday from 6:00 pm – 7:00 pm. Classes cost \$3.00 per person or \$5.00 per couple. Walk ins are welcome. Make sure to bring your own water bottle as you are likely to break a sweat. All proceeds from Line Dancing will be used to support programs and services that benefit older adults in our community.

#### **WHAT DOES THE GOLDEN CONNECTIONS COMMUNITY CENTER OFFER?**

Since our founding, the goal of the GCCC has been to assist and empower the older adults of the Red Lion and Dallastown Area to remain part of a thriving community environment for as long as they are willing and able. The GCCC offers a wide range of free services and programs to seniors ages 60 and older. Activities include those that respond to the social, cultural, economic, emotional, and physical needs of the older adult, thus encouraging independence, stimulating growth, alleviating loneliness, and providing volunteer opportunities. Counseling, referral services, and provision of home delivered and congregate meals are also an important part of our mission.

You can come visit the GCCC Monday through Friday from 8:30 am – 2:30 pm at 20 Gotham Place, Red Lion or visit our website at [www.gcccenter.com](http://www.gcccenter.com).

#### **SENIOR REAL ESTATE SEMINARS**

The GCCC is partnering with sponsor, Melissa Ruffing, to offer a series of free seminars designed to assist our area's 55+ community. Ruffing, a Seniors Real Estate Specialist (SRES) with RE/MAX Patriots in York, will cover various topics important to the 55+ community as they make important decisions regarding their future housing plans. Sessions are free and open to York County residents. For more information, visit the GCCC's Facebook page or website at [www.gcccenter.com](http://www.gcccenter.com).

#### **RENTALS**

Looking for a space to rent for your family reunion, baby shower, birthday party, or any other upcoming event you plan on throwing, then look no further. The GCCC offers space to rent for all types of events. You can rent our "Community Room," which is large and spacious with a sound system and buffet table access for only \$25.00 per hour or if you're looking for something a little cozier, then you may be interested in renting the "Meeting/Program Room," which is a smaller setting but still with ample space, for \$15.00 per hour. Dates fill quickly, so if you have need for a rental space, contact Kasie Ream, Director of Social Services, at 717-244-7229.

*-The Golden Connections Community Center is in part funded by the York County Area Agency on Aging-*

**For more information on what the GCCC has to offer, visit our website at [www.gcccenter.com](http://www.gcccenter.com) or visit us Monday thru Friday from 7:30 am to 2:30 pm.**

### **811 – PA ONE CALL**

**Safe Digging:** If you plan to dig for any reason, you must call 811 at least three days before digging to get your underground utilities marked.

The national "Call Before You Dig" number, 811, connects homeowners and contractors with the Pennsylvania One Call System. This organization informs utility companies of a homeowner's intent to dig and provides the opportunity for utility companies to mark buried pipes and cables before digging commences, protecting both the utility lines and homeowners.

No matter how large or small the project is, it's important to know what's below. Call 811 if you are installing a fence or deck, or digging for a mailbox post, patio, or other excavation project. Calling 811 can prevent a potentially dangerous situation, as well as saving homeowners and contractors potentially costly repair bills.

This service is free for homeowners, and it's the law. The 811 "Call Before You Dig" hotline operates 24 hours a day, seven days a week, 365 days a year.

**Sewer Line Safety:** Additionally, it is important that you or your plumber call 811 prior to clearing a blocked sewer line.

Sewer lines are sometimes not marked or incorrectly marked, leaving the potential for natural gas lines to be installed through sewer lines. If a sewer backup develops, a plumber or homeowner often attempts to clear the blockage by using a mechanical rotary device. This can damage the utility line and create an unsafe situation allowing natural gas to migrate into homes and buildings.

Before you or your plumber attempt to clear a blocked sewer line, call 811 to have your sewer and gas lines located and inspected.

For more information on digging or clearing safely in Pennsylvania, visit [www.PAOneCall.org](http://www.PAOneCall.org).

United States  
**Census  
2020**

The U.S. Census Bureau is an Equal Opportunity Employer.

In advance of the 2020 Census, the U.S. Census Bureau is recruiting thousands of people for jobs across the country to execute this monumental task. Temporary part-time and full-time employment opportunities are being offered by the US Census Bureau to folks in our local community to ensure everyone is counted. These are good opportunities for Township residents who are interested in part time or full time employment in the local area while serving their local community to ensure an accurate Census count. The results of the 2020 Census will help determine each State's representation in Congress, as well as how certain funds are spent for schools, hospitals, roads, and more.

Interested applicants simply go to [2020census.gov/jobs](https://2020census.gov/jobs), create an account, and the applicant will receive an email with a link to the Recruitment and Assessment Portal to complete the application.

You will also build the Trailer – the little engine that could move forward thanks to its motorized transmission. Finally, the best of all, Grandpa-Bot Robot. It has huge eyes and is everyone's favorite bobble-headed, gear driven family member. It is easy transforming between the four modes. Gain confidence, self-esteem, and celebrate as you are the architect that built it. Plus have fun building a wide range of additional robotic designs with the Robotic Building System – Sumo wrestling matches, races and much more. Robots built in this portion of the workshop are not taken home. Have fun, learn, and have hands on experience the Sciensational way!
