

# York Township's Sponsorship Opportunities

We are excited about 2017 and the opportunities it brings for us to connect with our community and plan great events for our Township! This year we are not only reaching out to our local businesses but to our residents. Whether you choose to partake in one of the different levels or just to make a friendly donation, every bit will help to provide wholesome activities for our residents and the surrounding community. With your help, we can continue to make these special events happen!
