York Township Park Pavilion #1

Picnic Pavilion #1 (lower) is located down the hill to the right below the bocce courts as you are going through the main parking lot. There is a small parking area at this pavilion and a seasonal portable toilet. There are nine (9) picnic tables in the pavilion and a small playground located beside the pavilion.

Picnic Pavilion #2 (upper) is located between the Park Building and the Kid's Kingdom Playground. A large parking area is available and serves the playground, pavilion, and Park Building. There are eight (8) picnic tables available here and restrooms are located adjacent to the Park Building.

York Township Park Gazebo

The Gazebo is located on the left just pass the Police Department near Soccer Field #1. There are four (4) picnic tables available and the Tot Lot is located next to the Gazebo. The Tot Lot is for ages 2-5. There is a seasonal portable toilet located near Soccer Field #1.

Other Park Pavilions

Pavilions are also located at the following parks—Snyder Park (3 picnic tables), Heritage Hills Park (4 picnic tables), Tyler Run Park (4 picnic tables), and Fitz Park (4 picnic tables).

Grills

We do not have grills at the pavilions. You are welcome to bring grills. Gas grills are preferred, but charcoal grills are permitted. There is a piece of concrete pipe at each pavilion (not at the Gazebo) for hot coals. Please do not put your grill on the picnic tables as they will melt and burn.

Trash Removal/Recycling

Although we do have trash barrels at the pavilions, we do not have weekend trash pickup. So, with the amount of use our pavilions receive over the weekends, we ask that everyone bring trash bags and take your trash with you. There is a park dumpster available at York Township Park, but there is not one at the smaller parks. There are also recycling containers at each park. Please place ONLY recyclables in these containers.

Rental Fees/Available Times

Rentals fees are based on residency status and charged based on preset 4-hour blocks of time. If a business or organization is renting the building, then the rate is based on the physical address of the business/organization, not on an employee's or member's residency.
