## FROM THE MANAGER'S DESK

### WHY THE SALE OF YORK CITY'S WASTEWATER TREATMENT PLANT AND SEWER SYSTEM WILL IMPACT YOU

*(Updated April 6, 2021: York City approved the PA American Water Company Asset  
Purchase Agreement by a vote of 3-1)*

Dear York Township Sewer Customer:

There has been discussion in the press regarding the sale of York City's wastewater treatment plant and sanitary sewer system. While this may appear to be a York City issue, this sale will ultimately impact sewer bills in York Township.

#### Background on the York Area Regional Sewer Authority (YARSA) and the York City Sale Process

On July 10, 2020, York City solicited bids from investor-owned utilities for the purchase of the treatment plant and sanitary sewer system. YARSA was formed in 2020 by five municipalities, including York Township, that connect to the York City sanitary sewer system, in response to York City's consideration to sell their treatment plant and sanitary sewer system. With over 50% of the sewer flow to the City treatment plant coming from the five YARSA municipalities, maintaining local authority of the treatment plant is critical to keeping rates low for residents and businesses.

The highest bid the City received was \$235 million from PA American Water. If the sale is approved by York City, the York City Sewer Authority and the PA Utility Commission (PUC), PA American Water will own and operate the treatment plant and sanitary sewer system and bill York Township for sewer service. (YARSA was unable to meet bidding requirements set forth by the City and was also denied a request to amend the bid process to be allowed to submit a bid for just the treatment plant.)

#### How this Impacts You

To provide return on PA American Water's \$235 million investment, rates will increase. Customers outside of York City are not included in any negotiated rate freeze, and PA American Water would be permitted to raise rates throughout its entire service area to pay for this purchase and future purchases and upgrades in other parts of the state. YARSA is willing to purchase the wastewater treatment plant for a fair market value, which would provide more rate certainty, local ownership and accountability. An authority is accountable to its customers, not its investors.

#### The YARSA's Next Steps

In addition to a PUC protest, YARSA is considering all options, including moving flow to other systems and other opportunities that may be available.

#### How You Can Help

The City is moving very quickly to approve this deal and time is running out to ask the questions that could stop this transaction from happening. Questions that need to be answered by York City and/or PA American Water include:

- What is the projected rate increase given the \$235 million purchase price? Over the next 3, 5 or 10 years?
- Why did the City overlook the local ownership option for its residents and the connected municipalities?
- Why did the City not choose a balance between providing financial security and long-term rate stability?

#### **To keep rates low and help protect yourself and your neighbors, take one (or all) of the following actions:**

- Visit our website at [www.YorkRegionalSewer.com](http://www.YorkRegionalSewer.com) and sign up for our newsletter to stay informed and to see additional information.
- Sign our Virtual Petition by selecting "Get Involved" from the Regional Authority homepage.
- Like us on Facebook (@YorkRegionalSewerAuthority) and follow us for future updates, and share our content.

On behalf of the York Township Commissioners, thank you for your consideration and best regards.

Gary Milbrand, York Township Manager

## STORMWATER

### VIRTUAL 2021 DALLASTOWN AREA HIGH SCHOOL SCIENCE & ENGINEERING FAIR WINNERS

York Township congratulates the 2021 York Township Science & Engineering Fair scholarship winners. York Township provides scholarships for the best junior and senior "Water Quality or Stormwater Management Project" as part of our stormwater management program.

The senior project winner selected was "Make it Rain," by **Rylee Dunkerley**, 11<sup>th</sup> grade. The purpose of Rylee's experiment was to test if acid rain had an effect on the amount of dissolved oxygen in water.

The junior project winner selected was "Water Filter – Fast, Cheap, & Effective," by **Namya Jindal**, 9<sup>th</sup> grade. The purpose of Namya's experiment was to test what commonly available material filters water in the fastest, cheapest, and most effective manner.

York Township would also like to congratulate all of the 2021 Dallastown Area High School Science & Engineering Fair winners: Senior High Grand Champion Rohan Panchwagh, Senior High Reserve Grand Champion Gabriel Warriner, and Junior High Grand Champion Namya Jindal.

Additional information regarding our stormwater management program can be found at [www.yorktownship.com/our-township/stormwater/](http://www.yorktownship.com/our-township/stormwater/). Any questions or comments can be submitted via 717-741-3861 or [stormwater@yorktownship.com](mailto:stormwater@yorktownship.com).

## ZONING

### **NEW PA LAW REGULATING FIREWORKS**

House Bill 542 was signed into law on October 30, 2017, amending Pennsylvania's Fireworks Law and greatly expanding the ability of the general public to purchase and use consumer fireworks. This most noteworthy changes are highlighted below:

- Consumers can now purchase and use "Class C" or "consumer-grade" fireworks that include firecrackers, Roman Candles, bottle rockets, and similar fireworks that contain a maximum of 50 milligrams of explosive material. The expansion includes those fireworks that were previously only available to out-of-state residents. ("Display fireworks," which are classified as including salutes that contain more than two grains or 130 milligrams of explosive materials, and professional-grade aerial shells containing more than 60 grams of pyrotechnic compositions, are still only to be used by professionals with a permit from the municipality where the display will take place.)
- Any person who is at least 18 years of age may purchase consumer fireworks.

- Prohibitions. A person may not intentionally ignite or discharge:
  - (1) Consumer fireworks on public or private property without the express permission of the owner.
  - (2) Consumer fireworks or sparkling devices within, or throw consumer fireworks or sparkling devices from, a motor vehicle or building.
  - (3) Consumer fireworks or sparkling devices into or at a motor vehicle or building or at another person.
  - (4) Consumer fireworks or sparkling devices while the person is under the influence of alcohol, a controlled substance or another drug.
  - (5) Consumer fireworks within 150 feet of an occupied structure.
- Consumer fireworks can be purchased at any licensed facility, including temporary tents that appear in parking lots around July 4<sup>th</sup> of each year. Licenses are issued by the PA Department of Agriculture.

You can find more information by searching "fireworks" on either the PA Department of Agriculture or the Pennsylvania State Police websites.

## DEPARTMENT OF PUBLIC WORKS

194 OAK ROAD • DALLASTOWN, PA 17313 • 717-741-3861 x170

### **MUNICIPAL CAMPUS UPGRADE PROJECT**

In 2021 the Township is undertaking municipal campus upgrades that will include a new vehicle storage facility for the sewer crew, storm water improvements, updated fueling system and additional security measures. Gates will be installed to prevent unauthorized entrance to the lower parking lot area (Public Works operations).

### **OBSTRUCTIONS THAT OVERHANG THE ROAD**

Please be aware that as property owners in York Township, you are responsible to keep your property clear from any obstructions that overhang the edge of the

road. Examples include but are not limited to: tree limbs, shrubbery, hedges, grassy areas, mailboxes, fencing, etc. Many activities occur close to the curb with large vehicles that can be impacted when these obstructions exist. Examples include snow and ice removal, street sweeping, street paving, trash collection, school bus travel, etc. Overgrown tree limbs and vegetation also impact the sight distance for the motoring public which can be a safety concern. Refer to Ordinance # 2014-5 found on the website for the specific requirements.

Check our website at [www.yorktownship.com](http://www.yorktownship.com) or call the Public Works Department at 717-741-3861 x170 for questions or concerns. For after hour emergencies dial 717-324-8982 or 911.

- Honey Valley Road from Hess Farm Road to past pump station (preservation)
- Hess Farm Road from Ironstone Hill Road to South Pleasant Avenue (preservation)
- Dairyland Drive from Duke Street to Country Club Road (preservation)
- Vireo Road (base repair)

Due to the timing of this newsletter, the contracts were not in place and it is possible for changes to occurred. Please check the York Township website after May 31, 2021 for the final list of streets to be repaved in 2021.

## RECYCLING

### A WEIGHTY MATTER

*IMPORTANT: Please follow maximum weight guidelines for your garbage containers*

We would like to remind all residential customers to please consider their containers and/or garbage bag weights before placing at the curb. While each municipality we service has varying container weight restrictions, a general guideline is to make sure your container does not weigh more than 50 lbs. This will ensure our employees can safely handle your containers and bags without hurting themselves. For specific container weight guidelines for your municipality, please visit [www.PennWaste.com](http://www.PennWaste.com).

### HAVE YOU HEARD OF GRASSCYCLING?

Mulching grass clippings back into your lawn, instead of bagging them, means less labor and a healthier turf. In addition, bagged grass clippings may initially feel light, but after several days of sitting they collect moisture increasing the overall weight of the bags. Please keep this in mind if you do choose to bag grass clippings.

By respecting your container weights and grasscycling, you can help prevent injury to our employees. We appreciate your help!

### WASTE OIL DISPOSAL

Used oil (motor, cooking, transmission) can be dropped off **by appointment only**. Please contact 717-741-3861 x170 prior to coming to assure access to the lower parking lot. Hours are Monday – Friday from 7:00 am – 3:00 pm. We do not accept gasoline or engine coolant (anti-freeze). **Please be aware that the site is under constant video surveillance.**

### YARD / WOODY WASTE COLLECTION

Township residents are encouraged to recycle their yard/woody waste by either curbside collection or at the Township drop-off facility. Material such as tree and shrubbery trimmings and other organic landscape vegetation is acceptable provided the limbs are no larger than 8 inches in diameter and no longer than **4 feet long** (NOTE: Township brush dimensions are no larger than 8 inches in diameter and no longer than **6 feet long**). **Grass, weeds, dirt, stones, fruit & vegetable scraps, trash or recyclables are NOT accepted.** Yard waste must either be bundled with biodegradable twine (50-pound weight limit), placed in a brown Kraft bag or in a 32-gallon can without a lid. Yard waste placed in plastic bags or mobile carts will not be collected. Yard waste must be out for collection by 6:00 am on the pickup date and be visible to the hauler. Standard collection dates are the 4<sup>th</sup> Saturday of the month, March through October.

#### **CURBSIDE DATES:**

June 26 • July 24 • August 28  
September 25 • October 13

### COMMERCIAL RECYCLING IS REQUIRED BY LAW

Pennsylvania State Act 101 of 1988 and York Township Ordinance 2006-12 require nonresidential establishments to recycle. To comply with the State and Local laws, you are required to recycle the following items:

- Corrugated Paper (cardboard)
- Aluminum
- High-Grade Office Paper
- Steel and Bimetallic Can
- Glass (clear, brown and green)
- Leaf Waste

### RESIDENTIAL BRUSH DROP OFF

Brush is defined as tree limbs, shrubbery, leaves and the like (no grass) no larger than 8 inches in diameter and 6 feet in length. York Township accepts brush from York Township residents as part of our recycling efforts. Brush recycling is intended to clean up reasonable quantities of debris from residential properties. The program is not intended to accept debris from commercial entities. If you have large amounts of material to dispose, please contact York Township Public Works Department for approval.

**NEW FOR 2021** – The drop-off site will remain open daily, from dawn to dusk, throughout the year and will close occasionally to grind up the materials to make mulch. Please refer to the Township website for updates. The site is located at the Township Building beyond the gate between the two signs. Please enter from Oak Road. Do not enter from Coventry Road, for this is a restricted area for Township employees only.

Please participate in this program responsibly by **not** dumping unlawful items at the site. Examples of unlawful items include garbage, metals, concrete, lumber, stumps, stones, grass clippings, etc. Damage to the grinder can and has occurred when items, other than brush, have been dropped off and go through the grinding head. If misuse occurs, the Township may be forced to close the drop-off site unannounced. In addition, please be mindful that the drop-off site is shared with the Public Works operations.

Public Works will process the brush into mulch that will be made available to Township residents currently free of charge and on a first-come first-served basis. The mulch pile is located in front of the gate (left side). Mulch may **not** be available at all times. Mulch availability and the times and dates of brush recycling are subject to change at Township discretion.

All other material and items you see beyond the gate are for Township use only and are not meant for the general public to use or take. If you see a violation, please report it to the Township or York Area Regional Police Department. **The site is under constant video surveillance.**

## RECYCLING

### RESIDENTIAL ELECTRONICS RECYCLING

The York County Solid Waste Authority's Residential Electronics Recycling Program is free and open to York County residents **ONLY** and is conducted Monday through Friday from 8:00 am to 4:00 pm and Saturdays from 8:00 am to noon at the Small Load Drop-Off Facility at the York County Resource Recovery Center, 2651 Blackbridge Road, York, PA 17406.

For additional information, please visit their website at [www.ycswa.com](http://www.ycswa.com), their Facebook page, or contact them by phone at 717-845-1066.

### RESIDENTIAL TRASH COLLECTION GUIDELINES

Penn Waste has been contracted by the Township for residential trash and recycling services. All residences are required to have trash service. Please contact Penn Waste directly to establish services.

Fee schedule is as follows:

**July 1, 2021 – June 30, 2022 = \$52.25 per quarter**

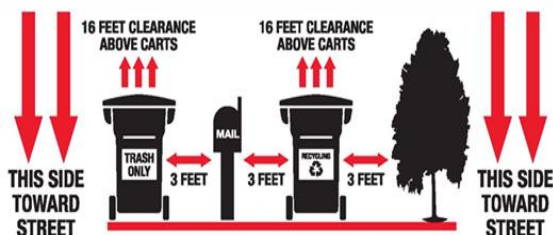

The optional 96-gallon mobile trash cart rental fee will be:

**July 1, 2021 – June 30, 2022 = \$12.55 per quarter**

Each resident is permitted (3) 32-gallon bags or cans of trash, unlimited recycling with cart, one large item per week, 12 items per year curbside yard waste collection. Additional service bags can be purchased at the York Township Finance Office for \$4.50. Residential trash and recycling collection begins at 6:00 am on your collection day. Carts should be placed a minimum of 3 feet from all other objects and facing the street. All refuse and recycling containers and any larger (bulk) items shall be placed curbside no earlier than 5:00 pm on the evening preceding the day scheduled for collection, and shall be removed no later than 12:00 midnight in the evening when collection occurs.

**Large (Bulk) Items:** Residential customers are entitled to place one large (bulk) item out per week with your regular trash and recycling. You only need to contact Penn Waste in advance if the item contains refrigerant or hazardous waste. Bulk items are those which cannot be disposed in the regular trash container and can be lifted by two people (i.e. sofa, mattress, carpet, etc.) Residents who pay for waste collection as part of their rent or condo/homeowners fee must contact their landlord or association for the rules regarding bulk items per their commercial contract.

Please place cart at curb with lid opening toward street.  
Keep cart three feet from all objects and clear from overhead hazards such as trees and power lines.

### RESIDENTIAL RECYCLING

All recyclables must be cleaned and dried before placing them your recycling bin. Any soiled materials should be discarded in your regular trash bin.

# YORK TOWNSHIP EMERGENCY MANAGEMENT AGENCY

## MISSION: A CULTURE OF PREPAREDNESS

Every week: tornadoes, wildfires, home fires, power failures, earthquakes, job loss, pandemics ... these things occur and cause enormous disruption to our lives.

This is why FEMA, the Federal Emergency Management Agency, whom we think of when we see the aftermath of Category 5 hurricanes, has set their Number 1 strategic goal as TO BUILD A CULTURE OF PREPAREDNESS.

Their vision, and it is one that we embrace at our municipal level EMA, is to help create a prepared and resilient nation, where individuals, families, businesses, community organizations, and government at ALL levels are prepared and ready for emergencies and disasters, have a plan to respond to and recover from them, and take the knowledge gained in the last one to be *more ready* for the next one.

From FEMA's Strategic Plan: "Resilience is the backbone of emergency management. The Nation's ability to weather storms and disasters without experiencing loss significantly *reduces our risk*. The most successful way to achieve disaster resiliency is through preparedness, including mitigation...."

"Strategic Goal 1 promotes the idea that everyone should be prepared when disaster strikes. To be prepared, however, we must all understand our local and community risks, reflect the diversity of those we serve, and foster partnerships that allow us to connect with a diverse Nation. *People who are prepared will be able to act quickly and decisively in the face of disasters, thereby preventing death and injuries, minimizing loss of property, and allowing for a more rapid and efficient recovery.*"

We mentioned some of the risks above. Our human brains have several mechanisms built in that can make it harder to embrace the Culture of Preparedness. Normalcy bias makes us believe that nothing *really* bad will happen to us. It is "our tendency to expect that things will continue to occur in the future the way they have typically occurred in the past (to continue to be 'normal'), which can lead us to **underestimate both the likelihood of a disaster occurring and how bad the disaster is when it does occur.**" (Psychology Today, March 15, 2020) About 70% of people fall prey to this bias. They drive right into the flooded road, stay in their homes when the huge hurricane is headed straight for them, ignore pandemic mitigation measures as hundreds of thousands die, etc.

This is our choice. This is our freedom. But why choose to **increase** your chances of suffering more damage, destruction, and devastation, when it is possible to **decrease** those chances?

Preparedness isn't "being a wacky prepper." It is accepting the risks we all face, and making choices to minimize those risks as informed, strong, confident adults. It is joining the Culture of Preparedness to help safeguard the homes, families, places, and activities that we love.

Be sure to check our web page often for suggestions on how to become part of the Culture of Preparedness that is ready for whatever may come, at [www.yorktownship.com/departments/emergency-management-agency/](http://www.yorktownship.com/departments/emergency-management-agency/).

### COMMUNITY

The Officers and Staff of YARPD are all members of this community and we have therefore shared the difficulties, challenges and unprecedented illnesses experienced throughout 2020 and into 2021. To those affected by COVID-19, our thoughts are with you, your families, and your friends. To the medical community and all First Responders, we thank you for your dedicated service. To everyone in our community who showed support for their local Police, we will always be grateful.

### CRIMES OF OPPORTUNITY

We are all itching to get out of our homes and offices in an attempt at getting back to "Normal." The Officers have noticed that our local criminals and juveniles without supervision, have already started to get back outside during the overnight hours. We have had a significant increase in Thefts from Vehicles and Vehicle Thefts over the past few months. The YAPD officers have been very successful in making several arrests related to these crimes but we would like to offer some advice to help reduce these crimes in the future. As the weather improves, more criminal opportunists will be headed outside. Many of the thefts were from unlocked vehicles, and many of the stolen items should never have been left inside. Never leave these items in your vehicle: firearms, laptops, purses, wallets, vehicle and home keys, garage door openers (easy access to your home) and anything of value left in plain sight. Please, always lock your doors.

### CAMERA REGISTRY

Turn Your Camera into a Crime Fighting Tool. Help us in preventing and solving crime using your security camera. It is simple, if an incident occurs near your device, we can identify and quickly request footage that may assist in an investigation. It is free, it's safe, and secure – at no time will the police have access to your camera without your permission. If your device is within the York Area Regional coverage area, please follow our link on CRIMEWATCH.

### CONGRATULATIONS OFFICERS

The Police Department welcomes Cadet Tyler W. Vanwyk to the department. He will be graduating from the H.A.C.C. Police Academy on March 15, 2021.

We will also be celebrating the retirement of Officer James A. Varner. He will be completing his 25<sup>th</sup> year on April 1, 2021.

We recently honored 2020 Officer of the Year, Officer Joshua J. Crimmel. He had an incredible year and was chosen to receive this award by the Officers of YARD.

**Saturday – Tanner Mountain Band** (Country and Classic Rock)

We have bleacher seating available or you can bring your own chairs and spend the evening with us.

The rides & games will once again be courtesy of Russ Amusements. Wristbands will be available every night. Watch in the Community Courier for wristband coupons which will only be good for a designated night(s).

As always, there will be an abundance of vendors offering a variety of foods.

If you just moved into the area or just have never bothered, circle the dates on your calendar and make 2021 the year you give it a try.

### **GOLDEN CONNECTIONS COMMUNITY CENTER**

20-C GOTHAM PLACE

RED LION, PA 17356

717-244-7229

#### **What does the Golden Connections Community Center offer?**

Since our founding, the goal of the Golden Connections Community Center (GCCC) has been to assist and empower the older adults of the Red Lion and Dallastown Area to remain part of a thriving community environment for as long as they are willing and able. The COVID-19 Pandemic has offered many challenges throughout the past year, but the GCCC has thrived and adapted to the changes. The GCCC will continue to offer outdoor and virtual classes as it moves towards a reopening plan to welcome members back into our facility. For a full list of programs and activities, please visit the GCCC website at [www.gccccenter.com](http://www.gccccenter.com), or contact the Center directly at 717-244-7229. Activities include those that respond to the social, cultural, economic, emotional, and physical needs of the older adult, thus encouraging independence, stimulating growth, alleviating loneliness, and providing volunteer opportunities. Counseling, referral services, and provision of home delivered and congregate meals are also an important part of our mission. You can visit the GCCC Monday through Friday from 8:30 am to 2:30 pm or visit our website at [www.gccccenter.com](http://www.gccccenter.com).

#### **Golden Connections Sponsorship Program**

The GCCC has seen great success in the new Center Sponsorship Program this year. The Sponsorship Program enables businesses in our community to branch out to our older population, who often do not venture far from home. Businesses in the community can purchase a sponsorship from the Center and then we will aid them in promoting their company within our Center and activities. Profit from the sponsorship will go to benefit the Center's programs. The Sponsorship Program serves both the local businesses and the senior population. Businesses are able to connect with older adults and the older adults receive not only great information and opportunity to learn more about services offered, but also are able to continue enjoying the programs and activities offered at the Center, that these sponsorships funded. If you have an interest in becoming a sponsor then contact Kasie Ream, Director of Social Services, at 717-244-7229.

#### **Rentals**

Looking for a space to rent for your family reunion, baby shower, birthday party, or any other upcoming event you plan on throwing, then look no further. The GCCC offers space to rent for all types of events. You can rent our building, which offers two spacious rooms, and access to tables and chairs for only \$50 per hour. Dates fill quickly, so if you have need for a rental space, contact Kasie Ream, Director of Social Services, at 717-244-7229.

### **STOP HOPPER: YOUR RIDE IS HERE**

Have you tried rabbittransit's on-demand microtransit service in the Red Lion/Dallastown service area? Flexibility is at your fingertips with rabbittransit's door-to-door service shuttle – Stop Hopper. Stop Hopper is similar to other ride-share services where customers can use a smartphone app to request a ride to and from any destination within the service zone boundaries. Following a ride request, the app also provides an estimated pick-up time, tracks rides in real-time, and provides an alert upon arrival. The app is available for download from the App store or Google Play.

The Stop Hopper offers a convenient option to connect with fixed route service. Walk-ups will also be honored where the vehicle can safely stop to perform a pick-up.

The Stop Hopper service is available Monday through Friday, 7:00 am to 7:00 pm. It is only \$2 per ride and free for registered seniors 65 years and older with a registered free fare ID card. Vehicles are ADA accessible. Ready to Ride? Request Stop Hopper today through the App or call 1-800-632-9063 for assistance. For questions email [stophopper@rabbittransit.org](mailto:stophopper@rabbittransit.org) or visit [www.ridethestophopper.org](http://www.ridethestophopper.org) for additional information.

## EMERGENCY MANAGEMENT SERVICES

### **YORK REGIONAL EMERGENCY MEDICAL SERVICES INC.**

**36 E. GEORGE STREET • P.O. BOX 485 • DALLASTOWN, PA 17313-0485**

**York Regional Emergency Medical Services Inc.** (formerly Yoe Ambulance Service) has been serving from Yoe Fire Company (now SAFER Station 2) since 1972 and from Goodwill Fire Company since 2004. We serve a primary population of 40,000+ people residing in four municipalities; Yoe Borough, Dallastown Borough, Windsor Township and York Township. We provide 24-hour Advanced Life Support (ALS) ambulance service from each station. Peak-hour units are staffed from 6:00 am to 6:00 pm, weekdays, to enhance the level of service provided during this high demand period.

York Regional Emergency Medical Services Inc. is a non-profit, 501(c)3, charitable organization incorporated in the Commonwealth of Pennsylvania. We are licensed by the Pennsylvania Department of Health and are dispatched by the York County Department of Emergency Services - 911 Center.

The 2021 Annual Subscription requests will be mailed in March. While many Subscriptions expire at different times during the year, the bulk of our Subscribers are on an annual cycle for each Spring. The Subscription is available to the residents and businesses of Yoe and Dallastown Boroughs, and those portions of York Township and Windsor Township serviced by York Regional EMS. If you have questions, call us at 717-246-3679, Monday through Thursday between 8:00 am and 4:00 pm.

#### **Annual Subscription Rates:**

Individual: \$35.00

Household: \$50.00 (all those living at the address must be listed on the subscription card to be covered)

Business: Varies by Number of Employees - Please Call for a Quote

#### **Why Should I Buy an Ambulance Subscription?**

##### **Peace of Mind in an Emergency:**

Although many patients have medical insurance coverage of some type, most insurance plans cover only a portion of the fees associated with transportation to the hospital or will pay for only those fees they consider to be "usual and customary."

Unfortunately, this amount is usually far below our cost to provide 24-hour emergency ambulance service to a population of 40,000+ citizens. Any portion of the fees not covered by private insurance becomes an out-of-pocket expense for the patient.

As a *York Regional EMS Subscriber*, we will only bill Primary and Secondary Insurance providers. Payment from a subscriber's insurance carrier will satisfy your obligation to us for our service costs\*. Non-Subscribers are responsible for payment in full for services, regardless of the amount covered by their insurance carrier. Subscribers shall forward any payments received directly from their insurance carrier to York Regional EMS immediately upon receipt.

The demand for emergency medical services has grown dramatically over the past several years. If we are already committed to an emergency when you need us, the 911 center will dispatch the next closest available ambulance service. This subscription is also honored by 8 neighboring EMS agencies: West York Ambulance, Jacobus Ambulance, Red Lion Ambulance, Southern York County EMS, Canadochly Valley Ambulance, Eureka Fire and Ambulance, Rose Fire Company (New Freedom), Grantley Fire and EMS

*\*All patients will be responsible for a minimum charge of \$95 for refusal of transport, when evaluation and/or treatment is provided. Non-transport is not covered by the subscription.*

### ATHLETIC FIELDS

The YTRec Department partners with local sports organizations to offer various athletic leagues on York Township fields. These are the only groups authorized to use the fields in this manner. If you would like to become a sports partner, please contact the Recreation Department at 717-741-3861 x142.

## PARTICIPATION AND REGISTRATION GUIDELINES

- **REGISTRATION FORMS** for various programs will be placed online at [www.yorktownshiprec.com](http://www.yorktownshiprec.com) as they become available. Forms for some programs may also be picked up at the YTRec Office.
- **ADVANCE PAYMENT** is required for all programs as it will ensure a space in the class/program. Checks may be made payable to York Township.
- **PARTICIPATION** in any class/program/event constitutes permission to use likeness in promotional materials.
- **THE DEPARTMENT** is **NOT** responsible for injuries while participating in any of its activities.
- **REFUNDS** will not be granted after the start of a class except in the case of injury or illness. Written documentation from a physician will be required. No refunds for Bus Trips will be given when spots are cancelled less than 30 days before trip unless the trip is cancelled by the Township or unless you find a replacement for your seat.
- **PROGRAM SIZE** is limited and will be filled on a first-come, first-served basis. Classes/events reaching capacity will start a wait list.
- **PROGRAM DATES & TIMES** are contingent on availability of facilities and are subject to change.
- **PROGRAMS** postponed or not held by the instructor due to emergencies will be made up by the instructor or fees will be prorated. Classes missed by the participant will not be made up.
- **POLICY ON CHILDREN**—Participants are not permitted to bring children with them to class. Enrollment age is included with the description of most of the classes.
- **CANCELLATIONS**—In case of inclement weather, we may cancel our programs. Remember, if the Dallastown Area School District cancels classes, then our activities are cancelled also. The YTRec Hotline number is 717-741-3861 x350 and it is typically updated by 4:00 pm when needed for cancellations/field closures.
- **MIN/MAX**—There is a minimum number of participants needed before a class can “go.” If a sufficient number does not register, the class will be cancelled. Ensure your choice—register now!

## PARK RULES/HOURS
