Updates on various projects and Township news from  
November 2017 to March 2018

The York Township Board of Commissioners passed the 2018 budget.

The Board made the following appointments:

- Raymond Fertig to the Planning Commission through December 2021
- Carl Dallmeyer as citizen-at-large to York Area Regional Police (YARP) for 2018
- Karen Atkinson and Edmund Dick to Water & Sewer Authority through December 2022

After the swearing in of Comm. Jones and Comm. Granholm, the Board reorganized as follows: Comm. Steele-Board President, Comm. Jones-Board Vice President, Gary Milbrand-Township Secretary, Kay Crumling-Treasurer, JMT- Township Engineer, Stock and Leader-Township Solicitor.

The York Township Water and Sewer Authority demolished a building in preparation for a new Green Valley Road Pumping Station.

The Township received the contract for the third Green Light Go Grant. This grant is for the signal improvements at Queen Street and Country Club Road.

The Equipment Storage Building was upgraded with a new CO and NO2 monitoring system.

The Township entered into a new contract with Penn Waste for residential garbage and recycling collection for the next 4 years. Further details can be found within the newsletter.

The Board approved a resolution opposing the Pennsylvania Supreme Court draft Congressional Map dated February 19, 2018 because it splits York Township into two Congressional districts.

The Board agreed to partner with PennDOT to perform the steps necessary to upsize the Township Sewer Authority's Tyler Run Interceptor under Country Club Road.

The Board approved the inter-municipal transfer of liquor licenses into York Township to be used at the Sheetz at 2068 S. Queen Street and at the Rutter's at 2490 Cape Horn Road.

York Township, along with YARP and Windsor Township, requested PennDOT to perform a traffic study concerning motor vehicle accidents that are occurring along Cape Horn Road.

The Board approved (with conditions) the following plans:

- Preliminary and Final Land Development Plan for Taco Bell (2054 S. Queen St.)
- Lot Line Adjustment Plan for South Branch LP & PW Capital LLC (Water St.)
- Lot Line Adjustment Plan and Final Land Development Plan for parking expansion for OSS Realty Company (1855 Powder Mill Rd.)
- Final Land Development Plan for Wyndridge Farms Patio Enclosure and Addition (847 S. Pleasant Ave.)

The Board approved a zoning map amendment for 141 Monument Road to residential low density.

The Board approved the purchase of the following: a 2019 tandem axle Freightliner with accessory equipment for \$296,311; a Ventrac mower for \$42,631.64; a propane powered forklift for \$19,976; a 2018 Ford F-350 pickup truck for \$29,722.00 and a 2018 Ford Escape for \$22,582.

## NEW PA LAW REGULATING FIREWORKS

House Bill 542 was signed into law on October 30, 2017, amending Pennsylvania's Fireworks Law and greatly expanding the ability of the general public to purchase and use consumer fireworks. The most noteworthy changes are highlighted below:

- Consumers can now purchase and use "Class C" or "consumer-grade" fireworks that include firecrackers, Roman Candles, bottle rockets, and similar fireworks that contain a maximum of 50 milligrams of explosive material. The expansion includes those fireworks that were previously only available to out-of-state residents. ("Display fireworks," which are classified as including salutes that contain more than two grains or 130 milligrams of explosive materials, and professional-grade aerial shells containing more than 60 grams of pyrotechnic compositions, are still only to be used by professionals with a permit from the municipality where the display will take place.)
- Any person who is at least 18 years of age may purchase consumer fireworks.
- Prohibitions. A person may not intentionally ignite or discharge:

- (1) Consumer fireworks on public or private property without the express permission of the owner.
- (2) Consumer fireworks or sparkling devices within, or throw consumer fireworks or sparkling devices from, a motor vehicle or building.
- (3) Consumer fireworks or sparkling devices into or at a motor vehicle or building or at another person.
- (4) Consumer fireworks or sparkling devices while the person is under the influence of alcohol, a controlled substance or another drug.
- (5) Consumer fireworks within 150 feet of an occupied structure.

- Consumer fireworks can be purchased at any licensed facility, including temporary tents that appear in parking lots around July 4<sup>th</sup> of each year. Licenses are issued by the PA Department of Agriculture.

You can find more information by searching "fireworks" on either the PA Department of Agriculture or the Pennsylvania State Police websites.

## YARD SALES

Please keep the following in mind when planning the date for your next big yard sale:

**Frequency and duration requirements; permissible and prohibited sales.** Two yard sales are permissible per household in any twelve-month period. The maximum duration of each sale shall be two consecutive calendar days between the hours of 9:00 am and 9:00 pm prevailing time. No merchandise intended to be sold shall be displayed on the premises except for one hour before and during the hours of sale. No amplified sounds shall be permitted in connection with the sale.

**Permits.** No yard sale may be held until a permit therefore has been obtained. The permit cost shall be as established from time to time by the Board of Commissioners.

All permit fees shall be paid to the township prior to issuance of the permit. The permit granted by the township shall be prominently displayed on the premises during the sale.

### On-site garage/yard sale signs.

Maximum permitted number – 2 per sale

Maximum permitted sign area – 6 square feet per sign

Permitted time frame – Between 2 days prior to and during the sale. No more than 2 consecutive periods totaling 12 days during any calendar year.

### Off-site garage/yard sale signs with written permission of landowner.

Maximum permitted number – 2 per sale, 1 per property

Maximum permitted sign area – 1 square foot per sign

Permitted time frame – Only on the day of the sale. No more than 4 days during any calendar year.

# PUBLIC WORKS DEPARTMENT

## PUBLIC WORKS EMERGENCIES

If you have a question, complaint, concern or observe what would appear to be an emergency with sanitary sewers, roadways, signs, traffic signals, stormwater facilities or the like, please contact the Public Works Department at 717-741-3861 x170. Office hours are 7:00 am to 3:30 pm Monday through Friday. After these hours or on holidays, please contact 911 only in the event of an emergency.

### 2018 STREET PAVING / RE-SURFACING

As of the deadline for this newsletter, the bids for the paving contracts have not been received. Please check the York Township website ([www.yorktownship.com](http://www.yorktownship.com)) for updates containing the list of streets to be re-paved in 2018.

**Check our website at [www.yorktownship.com](http://www.yorktownship.com) or call the Public Works Department at 717-741-3861 x170 for questions or concerns.**

### JUST A REMINDER

Just a friendly reminder to the property owners in York Township. It is your responsibility to keep your trees, shrubbery, mailboxes, etc. from protruding past the curb into the street area. There are many maintenance activities that must occur close to the curb (snow plowing, street sweeping, street paving, trash collection, etc.) which can be impacted by these obstructions. Overgrown trees and shrubbery can also impact the sight distance for the motoring public. Refer to Ordinance # 2014-5 found on the website for more details.

## STORMWATER NEWS

### 2018 DALLASTOWN AREA HIGH SCHOOL SCIENCE & ENGINEERING FAIR WINNERS

York Township congratulates the 2018 York Township Science & Engineering Fair scholarship winners. York Township provides scholarships for the best junior and senior "Water Quality or Stormwater Management Project" as part of our stormwater management program.

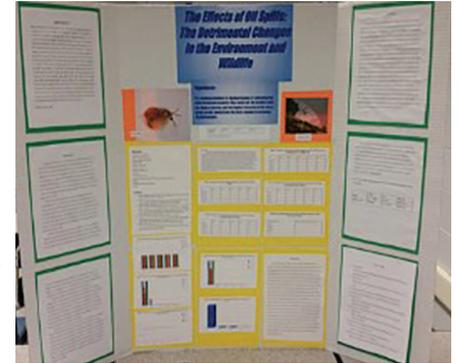

The senior project winner selected was "The Effects of Snails on pH and Nitrate Levels," by **Jonathan Salvatore**.

The purpose of Jonathan's experiment was to test the effects of snail decomposition on the levels of both nitrate and pH in water without the presence of bacteria which convert ammonia to nitrite; making water slightly less harmful to aquatic life.

The junior project winner selected was "The Effects of Oil Spills: Detrimental Changes in the Environment and Wildlife," by **Aniruth Ramanathan**.

The purpose of Aniruth's experiment was to understand what kind of petroleum product would be the most dangerous if involved in an oil spill, by introducing three products (motor oil, diesel, and gasoline) to a small simulated environment for *Daphnia magna*, a common species for ecotoxicology.

York Township would also like to congratulate all of the 2018 Dallastown Area High School Science & Engineering Fair winners: Senior High Grand Champion Vincent Villani, Senior High Reserve Grand Champion Daniel Hanuska, Junior High Grand Champion Astha Ray, and Junior High Reserve Grand Champion Aniruth Ramanathan.

### RESIDENTIAL CAR WASHING & POOL WATER DISCHARGES

#### RESIDENTIAL CAR WASHING

As part of the Township's new 2018 Municipal Separate Storm Sewer System (MS4) permit, discharge of water resulting from residential (not commercial) car washing to the MS4 is authorized only when cleaning agents are not utilized. The definition of "cleaning agent" is listed as "any product, substance, or chemical other than water that is used to clean the exterior surface of vehicles."

Consequently, residential vehicle washing with cleaning agents is acceptable where the wash water would not flow into storm sewers. Residential vehicle washing without cleaning agents is also acceptable.

#### POOL WATER DISCHARGES

As part of the Township's new 2018 Municipal Separate Storm Sewer System (MS4) permit, discharge of non-chlorinated swimming pool, hot tub, and/or spa water directly to the storm sewer system, and ultimately to local streams, is no longer authorized. The best approach for managing these wastewaters is disposal into a public sewer system or at a sewage treatment facility, with authorization of the sewer system owner.

Additional information regarding our stormwater management program can be found at [www.yorktownship.com/our-township/stormwater/](http://www.yorktownship.com/our-township/stormwater/). Any questions or comments can be submitted by calling 717-741-3861 or e-mailing [stormwater@yorktownship.com](mailto:stormwater@yorktownship.com).

#### IF YOU CHOOSE TO WASH YOUR CAR AT HOME, HERE ARE A FEW TIPS:

1. Wash on grass or gravel, not on a paved driveway or street.
2. Minimize the amount of water you use by using a hose nozzle with a trigger.
3. Reduce the amount of soap you use.
4. Do not rinse sponges and wash rags onto the ground but into buckets, then pour the buckets of soapy water down the sink or on grass when finished.

#### IF POOL WATER CANNOT BE HAULED AWAY AND YOU MUST DRAIN YOUR POOL, FOLLOW THE TIPS LISTED BELOW:

1. Prior to draining, shut off the chlorination system or do not add any chlorine.
2. Hold the water in the pool or hot tub for two weeks to reduce the chlorine level.
3. Drain water onto a landscaped area of your property away from your storm drains.
4. When draining, be considerate of your neighbor by keeping all water on your property. You can do so by using sand bags or berms if necessary.
5. Do not drain if there has been recent application of herbicides, pesticides, or fertilizers on your lawn.

# 2018 RECYCLING & TRASH INFO

## CURBSIDE YARD WASTE COLLECTION

Please follow these guidelines when placing yard waste for collection: Place curbside by **6:00 am** on the designated Saturdays. The hauler starts promptly at 6:00 am and quickly moves through the township as they do not need to stop at every residence.

Yard waste includes material such as tree trimmings, shrubbery and other organic landscape vegetation no larger than 8" in diameter. Yard waste DOES NOT include: grass clippings, weeds, fruit and vegetable scraps, tree stumps, dirt and stones, or any trash or recyclable materials.

**Prepare for collection:** Place yard waste in biodegradable brown craft bags or bundle with biodegradable twine in bundles no longer than 4 feet in length, not weighing more than 50 pounds. You may also use the round blue 32 gallon recycle bins or similar 32 gallon can without a lid. The yard waste must be visible to the hauler.

Yard waste in plastic bags or mobile carts will not be collected on the designated Saturday yard waste collection days.

### Curbside Dates:

<b>June 23</b>	<b>September 22</b>
<b>July 28</b>	<b>October 13</b>
<b>August 25</b>	<b>October 27</b>

- Any chemicals, oils, or powders.
- Any equipment that contains chemicals of any kind.

See full list on website

## RESIDENTIAL TRASH COLLECTION GUIDELINES

Residential trash and recycling collection begins at 6:00 am on your collection day. All refuse and recycling containers and any larger (bulk) item shall be placed curbside no earlier than 5:00 pm on the evening preceding the day scheduled for collection and shall be removed no later than 12:00 midnight in the evening in which collection occurs.

### Important guidelines to keep in mind for residential trash collection services are as follows:

On April 10, 2018 the York Township Board of Commissioners awarded the residential trash collection contract to Penn Waste for the next four years. The quarterly fees for basic service of (3) 32-gallon bags or cans of trash, unlimited recycling with cart, one large item per week, 12 times per year curbside yard waste collection and a Township administration fee of \$1.50 are as follows:

<b>July 1, 2018 – June 30, 2019</b>	<b>= \$48.00 per quarter</b>
<b>July 1, 2019 – June 30, 2020</b>	<b>= \$49.38 per quarter</b>
<b>July 1, 2020 – June 30, 2021</b>	<b>= \$50.82 per quarter</b>
<b>July 1, 2021 – June 30, 2022</b>	<b>= \$52.35 per quarter</b>

The optional 96-gallon mobile trash cart rental fee will be:

<b>July 1, 2018 – June 30, 2019</b>	<b>= \$11.50 per quarter</b>
<b>July 1, 2019 – June 30, 2020</b>	<b>= \$11.80 per quarter</b>
<b>July 1, 2020 – June 30, 2021</b>	<b>= \$12.20 per quarter</b>
<b>July 1, 2021 – June 30, 2022</b>	<b>= \$12.55 per quarter</b>

The price for extra service bags will remain at \$4.00 each from July 1, 2018 through June 30, 2020 and will increase to \$4.50 for July 1, 2020 through June 30, 2022.

**Large (Bulk) Items:** If your waste collection falls under the Township residential contract (directly billed by Penn Waste), you are entitled to place one large (bulk) item out per week with your regular trash and recycling. You only need to contact Penn Waste in advance if the item contains refrigerant (i.e. refrigerator, dehumidifier, air conditioner). Bulk items are those which cannot be disposed in the regular trash container and can be lifted by two people (i.e. sofa, mattress, carpet, etc.) Residents who pay for waste collection as part of their rent or condo/homeowners fee must contact their landlord or association for the rules regarding bulk items per their commercial contract.

**Round Recycling Bins:** Are the property of York Township, not the contracted hauler. The bins should remain with the property if sold. The bins are partially funded through a State recycling grant. If you never received a 32-gallon bin and you are billed directly by Penn Waste, you may pick one up at the Township offices. If your bin is cracked or broken, you must bring it to the Township office to obtain another bin. Additional bins may be purchased for a fee of \$7.50. Recycling bin stickers are available free-of-charge for those who wish to provide their own smaller bin for recycling.

If you are not directly billed by Penn Waste and your refuse service is provided through your landlord, condo association, or homeowner's association, you must contact the landlord or association to get a recycling bin through your refuse hauler.

Recyclables must be placed in a separate bin from trash and are picked up on your regular trash day. Replacement bins are available at the Township Administrative Office or the Public Works Department.

### COMMERCIAL RECYCLING IS REQUIRED BY LAW.

Pennsylvania State Act 101 of 1988 and York Township Ordinance 2006-12 require nonresidential establishments to recycle. Nonresidential establishments include all commercial, municipal, institutional, and community groups that do not fit into a residential category. To comply with the State and Local laws, you are required to recycle the following items:

- Aluminum
- Steel and bimetallic cans
- High-Grade Office Paper
- Corrugated Paper (cardboard)
- Glass (clear, brown and green)
- Leaf waste

### RESIDENTIAL BRUSH DROP OFF

Brush is defined as tree limbs, shrubbery and the like no larger than 8" in diameter. York Township accepts brush from Township residents (no commercial participation permitted) as part of our recycling efforts.

The drop off site is located at the Township Municipal Complex beyond the gate between the two designated signs. Please enter from Oak Road. Do not enter from Coventry Road, for this is a restricted area for Township employees only.

During the months of March through October, the drop off site will be open for 15 consecutive days beginning on the first Monday of the month at 7:30 am ending on the third Monday at 3:00 pm. All drop offs will be unassisted. Hours of operation are dawn to dusk.

**June 4, 2018 @ 7:30 am through June 18, 2018 @ 3:00 pm**

**July 2, 2018 @ 7:30 am through July 16, 2018 @ 3:00 pm**

**August 6, 2018 @ 7:30 am through August 20, 2018 @ 3:00 pm**

**September 3, 2018 @ 7:30 am through**

**September 17, 2018 @ 3:00 pm**

**October 1, 2018 @ 7:30 am through**

**October 15, 2018 @ 3:00 pm**

The site will be opened for self-serve (unassisted) use only for 4 consecutive days in the months of November, December, January and February. It starts the first full weekend of the month beginning on the first Friday at 7:30 am and closing at 3 pm on the following Monday. All drop offs will be unassisted. Hours of operation are dawn to dusk.

**November 2, 2018 @ 7:30 am through**

**November 5, 2018 @ 3:00 pm**

**December 7, 2018 @ 7:30 am through**

**December 10, 2018 @ 3:00 pm**

The brush will be ground into mulch and will be made available to Township residents free of charge. The mulch pile is located near the main gate (left side).

All other material and items located beyond the gate are Township Property and are not meant for the general public to use or take. If you see a violation, please report it to the Township or York Area Regional Police Department. The site is under 24 hour video surveillance and routinely monitored. We ask that you participate in this program responsibly by not dumping items such as garbage, metals, concrete, lumber, stumps, stones, grass clippings, etc.

**DO NOT Drive past the gate** when the site is closed as indicated by the red sign on the left gate. The mulch availability and the site opening dates and times are subject to change at the Township's discretion.

### WASTE OIL COLLECTION

Waste oil may be dropped off at the Public Works Service Building Monday – Friday from 7:30 am – 3:00 pm. Please do not drop off oil after hours.

#### Tips for keeping you, your family and friends safe this summer.

No matter the outdoor activity be aware of becoming over-exposed to the sun. Stay hydrated! Drink plenty of fluids and seek air conditioning if you become overheated. Pace yourself in the heat and sun, and definitely have lots of fun.

**Backyard Playground** – Your backyard should be a fun and safe place for you and your family. Start with your children's play equipment. Be sure swing sets are on level ground and properly anchor legs. Watch your children while they are on play sets, tree houses, etc. Check the temperature of slides and swings. They can get very hot and even cause burns.

Parents should seriously consider not purchasing home trampolines or allow your children to use them because of the serious risk for injury. Trampolines with the surrounding netting offer a false sense of security and do not prevent many trampoline-related injuries. Most injuries happen on the trampoline and not from falling off.

**Mowing** – Only use push mowers with a control that stops the blades when you let go of the handle. Keep all safety devices such as switches and shields in proper working order. Riding mowers with safety shut off when not seated should never be disabled. Lawn mowers cause more than 80,000 injuries a year.

**Grilling, Barbequing and Fire Pits** – Never use your grill or fire pits in your home or garage. Keep children and pets away from any open flame or hot surface. Keep your grill on a level surface away from the house and other flammable objects. If using charcoal, be sure to extinguish the coals completely before discarding and always put them in a metal container. *"In 2009-2013, U.S. fire departments responded to an average of 8,900 home fires involving grills, hibachis, or barbecues per year, including an average of 3,900 structure fires and 5,100 outside fires."*

**Bugs** – Do not use scented soaps, perfumes or hair spray on yourself or child. Avoid areas concentrated with insect nests or places they congregate such as pooling water, foods and places where flowers grow. Never let the water of bird baths or fish ponds become stagnant. Dump items that may collect water during rain storms.

Remove visible bee stingers with a credit card or fingernail. Carefully back it out by scraping with the card or nail. Try to avoid combination sunscreens with insect repellents. Sunscreens will need to be reapplied far more times than the repellent.

**Pools** – Pools, ponds and standing water can be serious and even deadly hazards. If you have a pool or even a small pond in your yard, you should install a fence, minimum of 5 feet high with a self-latching gate. Don't keep furniture or other items that could be climbed on near the fence. Pool alarms are never a bad idea. They will alert you that anyone or anything has entered the pool. Never let children outside with a pool or pond unsupervised even for a minute. Never leave toys in or near the pool. These items can be tempting to kids.

**Bicycles** – "Under state law, children under age 12 must wear a helmet while riding a bicycle." Pennsylvania's mandatory bicycle helmet law applies to children operating bicycles and to children who are passengers in a bicycle restraining seat or trailer." No matter how short the ride, your child needs to wear a helmet. Many injuries happen in your own driveway, sidewalks and bike paths, not just on streets. Children learn from example. Everyone should wear a helmet. Set a good example and wear a helmet whenever you ride.

**Fireworks** – Fireworks can cause blindness, severe burns, scars and even death. Many fireworks such as sparklers can reach temperatures over 1000 degrees Fahrenheit and can burn users and bystanders. Families should attend public displays handled by professionals rather than at home.

**Providing 24-hour emergency ambulance service is costly.** York Township tax dollars comprise less than 5% of each agency's operating budget; most of the operating costs are paid for by billing the patient for the service provided to them. Ambulance service is not a free municipal service. The charge for paramedic level advanced life support treatment and transportation may exceed \$1,200, depending on the nature of the illness/injury and the services provided. In most cases, health insurance does not pay the entire bill. The patient is responsible for the remaining balance or "co-pay." This is where the benefits offered by an ambulance subscription become very evident.

Those individuals and households that are subscribers are not responsible for any "out of pocket" expenses for emergency ambulance transportation. The amount that is paid by your insurance is considered payment in full, if you are a subscriber. To remain available for 911 emergencies, our ambulance service does not provide routine scheduled non-emergency ambulance transportation.

**Please Note:** If our ambulances are on other emergency calls, York County 911 will send the next appropriate available ambulance. The individual EMS companies have no control over who is sent when 911 is called. Routine transports are not included with our subscriptions.

## COMMUNITY ANNOUNCEMENTS

### GOLDEN CONNECTIONS COMMUNITY CENTER 20-C GOTHAM PLACE, RED LION PA • 717-244-7229

#### WHAT DOES THE GOLDEN CONNECTIONS COMMUNITY CENTER OFFER?

Since our founding, the goal of the Golden Connections Community Center (GCCC) has been to assist and empower the older adults of the Red Lion and Dallastown Area to remain part of a thriving community environment for as long as they are willing and able. The GCCC offers a wide range of free services and programs to seniors age 60 and above. Activities include those that respond to the social, cultural, economic, emotional, and physical needs of the older adult, thus encouraging independence, stimulating growth, alleviating loneliness, and providing volunteer opportunities. Counseling, referral services, and provision of home delivered and congregate meals are also an important part of our mission.

You can come visit the GCCC Monday through Friday from 7:30 am to 2:30 pm at 20 Gotham Place, Red Lion or visit our website at [www.gcccenter.com](http://www.gcccenter.com).

#### GOLDEN CONNECTIONS SPONSORSHIP PROGRAM

The Sponsorship Program enables businesses in our community to branch out to our older population, who often do not venture far from home. Businesses in the community can purchase a sponsorship from the Center and then we will aid them in promoting their company within our Center and activities. Profit from the sponsorship will go to benefit the Center's programs. The Sponsorship Program serves both the local businesses and the senior population. Businesses are able to connect with older adults

and the older adults receive not only great information and opportunity to learn more about services offered, but also they are able to continue enjoying the programs and activities offered at the Center, that these sponsorships funded. If interested in becoming a sponsor, contact Kasie Ream at 717-244-7229.

#### RENTALS

Looking for a space to rent for your family reunion, baby shower, birthday party, or any other upcoming event, then look no further. The GCCC offers space to rent for all types of events. You can rent our "Community Room," which is large and spacious with a sound system and buffet table access for only \$25.00 per hour. If you're looking for something a little cozier, then you may be interested in renting the "Meeting/Program Room," which is a smaller setting but still with ample space for \$15.00 per hour. Dates fill quickly, so contact Kasie Ream at 717-244-7229 to reserve a rental room.

*-The Golden Connections Community Center is in part funded by the York County Area Agency on Aging-*

**For more information on what the GCCC has to offer, visit our website at [www.gcccenter.com](http://www.gcccenter.com) or visit us Monday thru Friday from 7:30 am to 2:30 pm.**

### 811 - PA ONE CALL

**Safe Digging:** If you plan to dig for any reason, you must call 811 at least three days before digging to get your underground utilities marked.

The national "Call Before You Dig" number, 811, connects homeowners and contractors with the Pennsylvania One Call System. This organization informs utility companies of a homeowner's intent to dig and provides the opportunity for utility companies to mark buried pipes and cables before digging commences, protecting both the utility lines and homeowners.

No matter how large or small the project is, it's important to know what's below. Call 811 if you are installing a fence or deck, or digging for a mailbox post, patio, or other excavation project. Calling 811 can prevent a potentially dangerous situation, as well as saving homeowners and contractors potentially costly repair bills.

This service is free for homeowners, and it's the law. The 811 "Call Before You Dig" hotline operates 24 hours a day, seven days a week, 365 days a year.

**Sewer Line Safety:** Additionally, it is important that you or your plumber call 811 prior to clearing a blocked sewer line.

Sewer lines are sometimes not marked or incorrectly marked, leaving the potential for natural gas lines to be installed through sewer lines. If a sewer backup develops, a plumber or homeowner often attempts to clear the blockage by using a mechanical rotary device. This can damage the utility line and create an unsafe situation allowing natural gas to migrate into homes and buildings.

Before you or your plumber attempt to clear a blocked sewer line, call 811 to have your sewer and gas lines located and inspected.

For more information on digging or clearing safely in Pennsylvania, visit [www.PAOneCall.org](http://www.PAOneCall.org).

##### Can You Dig It?

##### Fossil hunt - Do you dig Dinosaurs?

Archaeology and Paleontology seem like big words to kids. Now Sciensational Workshops for Kids makes them come alive. Each child will partake in a simulated fossil excavation, uncovering the different bones of a dinosaur. Each child will then assemble the bones to form a completed 3-dimensional dinosaur to be taken home. We will bring the excavation tools, labels and specimen bags. We will use our geological time and fossil charts. You will make a plaster fossil replica of an ammonite, Tyrannosaurus rex tooth or choose from other molds. You'll identify 20-million year old shark's teeth and see other fossil replicas such as, a cave bear tooth, an ammonite, a Tyrannosaurus rex tooth or a dinosaur egg, etc. See and work with our rock and mineral collection. Be a rock hound and identify different rocks and minerals. See and hold our giant pumice rock specimen – it's from Mt. St. Helens. Come join Sciensational Workshops for Kids. It'll be fun and educational.

## PARTICIPATION AND REGISTRATION GUIDELINES

- **REGISTRATION FORMS for various programs** will be placed online at [www.yorktownshiprec.com](http://www.yorktownshiprec.com) as they become available. Forms for some programs may also be picked up at the YTRec Office.
- **ADVANCE PAYMENT** is required for all programs as it will ensure a space in the class/program. Checks may be made payable to York Township.
- **PARTICIPATION** in any class/program/event constitutes permission to use likeness in promotional materials.
- **THE DEPARTMENT** is **NOT** responsible for injuries while participating in any of its activities.
- **REFUNDS** will not be granted after the start of a class except in the case of injury or illness. Written documentation from a physician will be required. No refunds for Bus Trips will be given when spots are cancelled less than 30 days before trip unless the trip is cancelled by the Township or unless you find a replacement for your seat.
- **PROGRAM SIZE** is limited and will be filled on a first come, first serve basis. Classes/events reaching capacity will start a wait list.
- **PROGRAM DATES & TIMES** are contingent on availability of facilities and are subject to change.
- **PROGRAMS** postponed or not held by the instructor due to emergencies will be made up by the instructor or fees will be prorated. Classes missed by the participant will not be made up.
- **POLICY ON CHILDREN**—Participants are not permitted to bring children with them to class. Enrollment age is included with the description of most of the classes.
- **CANCELLATIONS**—In case of inclement weather, we may cancel our programs. Remember, if the Dallastown Area School District cancels classes, then our activities are cancelled also. The YTRec Hotline number is 717-741-3861 x 350 and it is typically updated by 4:00 pm when needed for cancellations/field closures.
- **MIN/MAX**—There is a minimum number of participants needed before a class can “go.” If a sufficient number does not register, the class will be cancelled. Ensure your choice—register now!
